Motivated and versatile professional with a background in commerce and industry, now pursuing a career as a Full Stack web developer. Possessing valuable soft skills such as empathy, teamwork, adaptability, and a strong commitment to continuous learning.

I completed a one-month internship at Social Media Lab, gaining hands-on experience in front-end and back-end development. A firm believer in the power of collaboration and teamwork in dynamic environments. Seeking exciting opportunities to apply technical expertise and creative skills in development and design to make a positive impact. Open to new challenges and eager to contribute to innovative projects. Feel free to reach out for further inquiries or to explore potential collaborations.
